

My social/economic class
I spent my childhood playing
and in school - it was a "right"
milke in TTB

My older sister:
"blazing the trail"
or like Rosalyn, opting to
do everything first

My gender
deal w/ assumptions -
what I might not be
strong, tough - even though
I was a commercial fisherman!

My younger sister
was done a lot of the same
things as me

My time
looking gardening,
reading...

My physicality:
too tall to continue dance!

(1st)
My home
someone who loves quiet
outdoor places but wonders
about excitement of big cities

Ms. Lewis

My parents
wanted to settle
to be near me

My birth order:
middle child feels
"ignored"?

My parents:
strong expectations of
college, leaving Alaska,
particular beliefs.
Get a "good" job
right away!!!

My race
diff. experience
discrimination - was
paid made things easier
for me?

My career
tried different things
before deciding on
teaching - making around
world, less "good" jobs.

My friends
I can choose who I
spend my time with

My looks
short hair!
bushy hair!
style!

My beliefs
political, religious,
moral, global -
these are all mine
to explore and
decide on.
